England

Dear Andrew:

Enclosed is a copy of the revision of the pesticide regulations that I promised to send you. - in 1/14/64

We are now ready to sacrifice the Paraquat dogs. I would appreciate hearing from you as soon as possible if you have any reasons for not doing so. These animals will be sacrificed within two weeks from today.

Sincerely yours,

J. C. Calandra  
Director

JCC/erb  
Enclosures (2)

P.S. Enclosed are the results of two analyses for Paraquat in the urine of the dogs on the long term study. You will note that there does not appear to be any dose correlation.
