Andy

Do you have anything written down you can share with me regarding your PQ Publication response team process? I have to set something up for TMX (without the legal dimension!!) so would welcome any learnings from your area! Regards Peter

Attachments:	NOTES OF PARAQUAT COMMUNICATIONS MANAGEMENT TEAM MEETING HELD ON 22 OCTOBER 2012; PARAQUAT COMMUNICATIONS MANAGEMENT TEAM MEETING ON 12 SEPTEMBER 2012 ; PARAQUAT COMMUNICATIONS MANAGEMENT TEAM MEETING ON 22 AUGUST 2011
HI Peter,	
In outline the process is as fo	llows:
The "PQ SWAT Team" confirm to the following publications	med at the 8 March 2011 PILT Meeting met today to review and consider the response (attached) :
	xicological Evidence of Neurological Effects of Pesticides : The Example of Parkinson's . et al., Neurotoxicology, 11 March 2011
	ne May Interact with Environmental Factors in Increasing Risk of Parkinson's Disease" : ., Neuroepidemiology, 24 July 2010
(3) "Autonomic Dysfunct www.aslatox.org).	tion in Paraquat Survivors" : Sudheera Sammanthi Jayasinghe et al. (located on
Before considering the public	cations the following process points were agreed :
(A) The team will be know	wn as the Paraquat Communications Management Team
 (B) Meetings will be con- will make the judg me (C) All addressees of this 	vened immediately on notification of any publication requiring review . Product Safety ent as to whether any given publication is of a level of significance to trigger notification s email will be invited to each meeting . Meetings can be held provided that one ch of Corporate Affairs, Legal, Regulatory, Product Safety and Stewardship / Issue
Management can att	
(D) At each meeting the following range of op	team will discuss the notified publications with a view to agreeing on action within the tions :
Do nothing	
 Create synopsis in 	n "postcard" format
 Commission Proc 	fuct Safety review
 Commission external 	rnal expert review
 Update Q&As on 	SIM / OPOV intranet site
 Produce specific: 	Standby Statement and Q&As / key messages dealing with the publication
 Commission scient 	ntific critique for publication
 Produce proactiv 	e Media Release
	ls for communication with regulators, sales force, growers and other stakeholders ullet action points from each meeting to all addressees of this email .
l also attach three e-mail reco	ords from these meetings (teleconferences) of the Paraquat Communications
Management Team to give yo	ou a bit more of the 'flavour' of our activities.
Happy to discuss further next	t week if that would be helpful.
Andy
